Her children would like to extend a special thank you to our mothers cousin and best friend Rosalinda "Rosie" Gonzales, you and my mom were two peas in a pod, from your late night I Hop sessions to your experiences at what you believed was Wal-Mart. Your late night Bingo Sessions, but more importantly holding each other up when the men that you loved so dearly left this world. Rosie you stood by my mother during her last days. We just want you to know we recognize you, and you are a part of us. The amount of gratitude we have for you cannot even be expressed through words. We Love You.

She had a love for her children and grandchildren that molded us into who we are today. Being a homemaker it gave her the opportunity to do a lot for her children. From being a classroom mother, making her children their clothes and her award winning Halloween costumes. Being a homemaker was her calling, it gave her the chance to be a huge part in raising her grandchildren and great grandchildren.

Her home was open to anyone who needed a place to stay. If you were seeking advice, she was there to give it to you, whether you wanted to hear it or not.

Mom, you were an amazing mother to all of us. We lost you too soon. You made all of us strong individuals, and we are forever grateful for you. Your memory will live amongst us all. We know you and Dad are together. We love you both and will miss you every single day of our lives.
