

Shirley Ann McWillie Feeney
March 20, 1932 – July 29, 2018

Shirley Ann McWillie Feeney was the beloved wife, mother, grandmother and great-grandmother of a family who will miss her dearly. Her warmth, work ethic and many projects defined her busy days. Even though she was busy with various organizations, her heart was in family gatherings. Shirley's enthusiasm was not derailed by the joyful messes and muddy footprints and pawprints that come with happy crowds. Visits home were incredibly fun and memorable.

She and her husband Dick shared a love of the outdoors, beginning their marriage with a treasured backpacking trip in the wilderness of Idaho. When they lived in Michigan, they spent long summer days exploring Lake Saint Clair on their boat. They retired to a dream home in the mountains of Tehachapi, California, where Shirley's flower beds became a favorite dining spot for local wildlife. After ten years, they moved to Texas to be close to young grandchildren.

As a military wife, she and Dick moved dozens of times and quickly became welcomed members of communities and churches. Shirley devoted many hours to service – time often spent with good friends – organizing Scouting events, church fundraisers, and school enrichment activities.

Shirley was born in San Diego, California. She and Dick first met in second grade in La Mesa, near San Diego. They married in 1952, and she graduated in 1953 with a degree in primary education from San Diego State University.

Based on a profound and enduring dedication to God, family and community, Shirley brought the best of herself to her daily life and inspired many of us to do the same.

Shirley is survived by her husband of 66 years, Richard "Dick" Feeney, their three children, Cindy, Mark and Matthew and many grandchildren and great-grandchildren. She will be remembered by her family and a lifetime of friends, living here in Texas and across the nation.
