

Trina Massey has been called to be with our Lord at 59 years of age on August 21, 2017 in San Antonio, Texas. Trina was born on September 22, 1957 in Germany to CMSgt William H. and Seleeta V. (Kelso) Massey.

Trina was a devoted mother and animal lover. She spent time volunteering at the local Humane Society and believed animals added so much joy to a home.

Trina could often be found as the favored guest during the holiday season, because she always cooked from the heart! She would prepare the secret family lemon pie recipe and pea salad for friends and family. Trina supported the Angel Tree Program and would love others to continue to give to this mission of love so no child would not know the love of Christ at the Christmas season.

With a willing heart she knew just when to lend a hand to help family, friends, co-workers or strangers. Trina's signature color was bright, vibrant, fall Orange, she wore it well. She left that zest for life behind in each of us all. Trina is survived by her daughter, McKynna Massey; sister, Seleeta Massey; brother and sister-in-law, Jovey and Patty Massey. Rest In Peace... until we are all called together.

Family and friends will be celebrating the life of Trina on Friday, September 22, 2017.
