

*In Loving Memory*

**Alexander Ramirez**

February 2, 1986 – October 29, 2021

Alexander Everett Ramirez was born the 2<sup>nd</sup> of February, 1986 in San Antonio, Texas. He passed away in his sleep on the 29<sup>th</sup> of October, 2021, at the age of 35. He was a graduate of Edmond High School, Edmond, Oklahoma, class of 2004. He returned to San Antonio and completed his Associates degree at Northwest Vista College. He was an entrepreneur at heart and had several businesses related to his passions and hobbies over the years. He had recently become a licensed state insurance agent and was in the process of becoming a licensed pyrotechnic operator.

He was an avid angler and hunter, and felt more at home in nature than in the city. His hobbies included coin collecting, artifact digging, leatherworking, and he was a firearms and car enthusiast. Alex was a risk taker and never turned down a bet, whether it was at a pool or a poker table. He had a generous spirit and loved spending the holidays delivering food to those in need, whether he knew them or not. Alex never took no for an answer; could tell a tall tale; and enjoyed himself a good drink and a good conversation with good friends and family. The simplest pleasures in life brought Alex the most joy, whether it was eating in bed and watching trash TV on a Saturday night with his wife, or spending the day alone on a body of water.

Alex loved his family more than anything. Two of his greatest achievements were becoming a husband and father. He is survived by his loving wife, Rachel Roth Ramirez and their son, Memphis Jack Tharpe, 16 years old. Surviving him also are his parents, Edward and Stella Ramirez, his sister, Mindy Ramirez Mascorro and husband Arthur, nieces Meryl and Maryn Roberson; his brother (who was one of his closest friends) Edward Ramirez and wife Jeannine Martinez Ramirez, and niece Lauren Ramirez; and many loving aunts, uncles and cousins. He is mourned by his closest canine companion, Buddy Ramirez.

Alex was taken from us all too soon and he will be greatly missed.
