

**Bret Gregory Moore**  
**November 4, 1985 – December 19, 2020**

Bret Gregory Moore, son of Ann Watkins Moore and Greg Moore, passed away unexpectedly at his home on Saturday, December 19. He was born at St. Joseph Hospital in Bryan, Texas, and attended schools in Bryan and College Station until his family's move to San Antonio in 1999. He graduated from Roosevelt High School in 2005.

A member of the Church of Jesus Christ of Latter-day Saints, Bret's faith was important to him. He was baptized in 1993, sealed to his family in 1999, and ordained as an elder in 2009. He was a member of the Converse Ward of the church in San Antonio.

A fan of technology, Bret was always up-to-date on the latest innovations and "gadgets." He was a movie and television buff, and an anime and video game enthusiast. A trivia and current events encyclopedia, he entertained all with his knowledge and jokes. He was proud of his Irish heritage and took pleasure in listening to Celtic music and watching the Boston Red Sox.

Bret also enjoyed fishing and the music of AC/DC. He loved to drive and would transport his family safely from San Antonio to College Station, or "over the river and through the woods" to Grandma Ruth's house . . . for lots of holiday cookies! And a side trip to Layne's Chicken!

Bret was absolutely devoted to his family and will be terribly missed by all. He is survived by his parents Ann and Greg Moore, his brother John of San Antonio, and numerous cousins, aunts, and uncles. He is preceded in death by his maternal grandparents, Ruth and George Watkins, and his paternal grandparents, Sharon and Thomas Moore, all from the Bryan/College Station area.

Due to the COVID-19 pandemic, out of respect for the health and safety of loved ones, no memorial service is scheduled at this time. In lieu of flowers, please make donations to a favorite charity.

The family asks that those who knew and loved Bret remember him in their hearts, share their fondest memories of him with friends and family, and most of all keep safe and healthy for those you love.
