Carolyn Brady was born on December 24, 1946 and passed on August 23, 2021 at the age of 74 years of age. As a child she grew up in Luling, Alice, and Corpus Christi. She attended Mary Carroll High School in Corpus Christi. She married Billy Ray Graves in 1963. Though later divorced, they remained close. She later married Daniel Kirby in 1974. Carolyn

was a hard and diligent worker; often working two jobs as a single parent to make ends meet. She would always juggle her schedules to make sure her children were at choir, band, football, and doctor's appointments. She was a loving mother, grandmother, and great-grandmother and was devoted to her family. As a young girl, she loved spending time with the family horses and also loved getting dressed up. She was a huge fan of Elvis and Kenny Rogers. She loved country music, particularly gospel. Although she loved to travel, she wasn't able to very often. In 2016 she was able to take a cruise with some of her family to Key West and the Bahamas. She loved the beach and the ocean. That was her happy place. She also enjoyed playing dominoes and cards with family and friends. Most importantly she was a strong believer in Jesus Christ and loved the Lord. She came to know Christ at a young age through the love of her family and church. Carolyn will be missed by all but she will never be forgotten. We love you Mom, **Momaw**, and Friend.
