*Danny/Tommy lived in northern Minnesota for several years before being transplanted to Alamo in South Texas as a young boy. He went from "Dontcha know" to "Hola", he became very fluent in the Spanish language. Danny joined the USAF on September 28, 1982 and became a Heavy Equipment Operator. He served his country for 32 years before retiring June 28, 2013 earning the highest enlisted rank of Chief Master Sargent during his career. He earned his Associates Degree from the Community College of the Air Force. Danny and Kim were married on June 12, 1999 in Lytle and had just celebrated their 20<sup>th</sup> wedding anniversary with a cruise around the Hawaiian Islands. He loved his family first and foremost, his country and his friends. He never met a stranger, he would strike up a conversation everywhere he went, and I mean everywhere. He could sit for hours and tell stories of his childhood and life's adventures to family and friends. He was a friend to all and would give you the shirt off his back. He would help anyone, anywhere, anytime. He was a scout leader in Castroville for his son Danny Jr and again in Lytle for Andrew. Danny also helped coach the girls softball team for Shannon. He traveled all over this country and other countries during his time in the 307<sup>th</sup> Red Horse working on humanitarian projects, building schools, digging water wells just to name a few. His passion was old cars and trucks restoring them and going to car shows. He was a jack of all trades and a master of them all. He could fix anything and if the impossible would happen, he would just make a new one.*
