

David Lewis Christopher Sr.
08/28/1955 – 01/17/2021

David Lewis Christopher Sr. peacefully passed away Sunday, January 17 2021, surrounded by his loving family.

He was born to William and Ramona Christopher, on August 28, 1955, in Charleston, South Carolina. He is preceded in death by his only beloved son, David Lewis Christopher Jr., his parents, three brothers Ronnie, Scott and Bruce Christopher, and three grandchildren, all of which we know welcomed him home to Heaven for the most loving and glorious reunion.

He relocated to San Antonio, Texas when he met and married the love of his life Sandra Christopher. David is survived by his wife Sandra, his daughters, Patricia Morales (Roy Rodriguez), Suzanne Nieves (Dennis Nieves), Angela Marie Christopher Romero (EJ Romero), Laura Elaine Christopher Collins (Garrett Collins), his siblings Billy Christopher (Deborah), Robert Christopher (Nancy), Pamela Fox, Doris Trotter, Charlene Tops (Bryan), countless of “the best” grandchildren and great-grandchildren, nieces and nephews and so many more who love and adored him.

During the last several months of David’s life, he accepted Jesus Christ as his Savior. His love for Christ remained strong through the final moments of his life here on Earth and his family rejoices in knowing that he is free of pain and suffering.

David was best known for both his love of genealogy research and of music. His dedication to diving into his family tree helped bring many Christophers’ together for

multiple family reunions. He introduced Christophers' separated by multiple states who would've not otherwise had the privilege of knowing each other. His inclination for music led to many days listening and singing along to some of the best songs that his family can continue to play and feel his presence through.

Strong-willed, and only wishing the best for those he loved, he was always overwhelmingly full of advice. Ready with a pot of coffee, he was always willing to sit down and have an early morning heart to heart. Even if you objected his advice, he always welcomed you back with open arms and a loving heart.

Out of respect to David's wishes, there will not be a public service, but a small intimate family gathering to celebrate his life and the legacy he leaves behind through his many survivors. In lieu of monetary or floral donations, his family asks instead for overwhelming prayers of comfort and peace during this most difficult time.
