Among her signature dishes were Black Forest cake, Rendang and Lemper. Her love of cooking and baking brought an abundance of joy and poundage to many.

She also loved attending fellowship services with IFGF Ministries San Antonio and playing bridge at Fiesta Bridge Club of San Antonio. She is an avid bridge player during her time at Caltex, and went to represent the community in national tournaments.

Her favorite past times, aside from cooking and baking, included playing mahjong and cards with friends. She loved to get involved in the community and found friends easily wherever she was. Later on in life, she enjoyed traveling to many countries with her family and friends.

Isjarati Soemarman will be greatly missed by everyone she knew. We know that you are with God now and in peace with Him. We love you Mom.
