

Margaret Ann Lukasik, 79, of San Antonio, Texas, passed into Heaven on August 5, 2021. Margaret was born on October 9, 1941, in Moline, Illinois, to Joseph Lee and Dolores Dennis, and died after a short upper respiratory illness.

Our beloved mother, aunt, grandmother, and great-grandmother “GG” was taken from us to be in Heaven with her Father, our Lord. She is no longer suffering in pain and with the restrictions of her frail earthly body. She will be missed by many friends and extensive family. She was loving and giving to so many that passed through her life. Her final day was spent holding the hands of family. God bless and keep you, our beloved mother.

Margaret graduated from Burbank High School in 1959 and she married the love of her life Edward J. Lukasik, Jr. on November 7, 1959.

Margaret was a proud and loving mother, and a generous foster parent to 35 foster children from 1972 to 1983 and adopted the last two children in her care into our family. She was a member of Good News Lutheran Church since 1979, was a lifetime Christian, and her faith and love for God carried her through many difficult times.

Margaret was preceded in death by her parents, her only sister Kathleen, her loving husband Edward, her niece and nephew Heidi and Michael, her grandson Jacob, and her youngest daughter Angel.
