Pedro will be fondly remembered as a hard working man that would do anything to help anyone. With a truck full of tools and years of experience as a jack of all trades, if you needed anything, he would soon be at your doorstep happy to help. As a young man, Pedro's hobbies included hunting, fishing, and modifying his cars to make them faster. He enjoyed sitting on his porch overlooking the lake with his favorite drink and adored his two King German Shepherds. His unique sense of humor would reveal itself when you least expected making him all the funnier. Pedro attended St. Phillip's College and earned his certification for hvac which led him to a long career in the apartment industry which he loved. He shared many stories of his adventures and struggles as a young man that we will always cherish. Although Pedro will be missed, we hope that all can find comfort in knowing he has been reunited with family members and friends that await us one day also. Brother, dad, grampa and friend, you will be greatly missed.
