

Victoria Zepeda Cisneros Matustik was born in San Antonio Texas July 7th 1939. She was one of 10 children of Celso and Fransisca Zepeda who precede her in death. She is survived by four children from her first husband, Luis Cisneros (deceased), Theresa Cisneros, Marie Rook (Mike), Martin Edward Cisneros (Cathy) and Louis Cisneros (Esther) as well as her grandchildren Sarah Jane, Juliet, Louis King, Star, Evie, and Elliot Miranda. Victoria was also blessed with great grandchildren whom she adored. She is also preceded in death by her beloved Cathy Cisneros, her devoted daughter-in-law. Victoria also was a sister in a family of eight girls and two boys: Mary Arroyo, Celso Zepeda Jr, Inez Castro (deceased), Consuelo Gutierrez, Joe Zepeda, Janie Kypuros, Lupe Tygett, Martha Zepeda and Isabel Zepeda. She leaves a void in our sisterhood, however, there is comfort in knowing she is in the arms of Jesus.

Victoria lived in a community at the Christian Village Apartments, where she loved to interact with other residents and to keep them laughing. She developed a love for painting and was constantly learning. Victoria was loved by all, always willing to help her neighbors and her family. She played a positive role in the lives of her grandchildren and great grandchildren. The impact of her love and perseverance both in works and in prayer is evident in their lives.

Victoria met life's trial and challenges head on. She often spoke her mind with quick wit and in simple yet profound and empowering words. Her life was transformed when as she put it "I did not find Jesus, HE found me!" That says it all. Her love for Jesus, the Father and the Word of God was the focus of her existence since that moment. Victoria was able to bear all things and continued to praise our Lord. That is her legacy.

It was her desire to see Jesus whom she loved. It was Amazing Grace, so sweet the sound she longed to hear. While surrounded by her family, she quietly passed away August 15, 2020.
